

# Winter is snow joke!

For wild animals winter can mean a struggle to find enough food to survive.

A few sleep all through winter to save energy. This is called 'hibernation'.

Only two of these animals hibernate, but which ones?

The answer can be found at the bottom of this page - upside down!

**wildlife  
watch** 

Pip says:  
Enjoy a wild  
Christmas!

**Hedgehog**

**Little Owl**

**Roe Deer**

**Red Squirrel**

**Red Fox**

**Grass Snake**

Answers: Grass Snake and Hedgehog
