Find the Hidden Word!

Wildlife Watch

Fill in each row with the answers to the questions at the bottom. Once you've got them all, the grey squares will spell out an animal!

1. The Wildlife Watch mascot! (Psst it's the animal in our logo!)
2. The UK's only venomous reptile
3. A habitat with lots of trees
4. A place on the shore where small sea critters can get trapped!
5. A seabird with a colourful bill
6. An amphibian with a long tail
7. ~~You might have one in your garden, and it's a really good place for birds and hedgehogs!~~
8. Be careful of this stinging sealife
9. These marine mammals like to swim alongside boats
10. An open grassland with lots of flowers
11. A beautiful, colourful flying insect
12. This bird of prey can hover!

Send the animal in the grey squares, with your name, age and address to: watchcomps@wildlifetrusts.org for your chance to win a portable microscope!
